

REMARKS

The specification has been amended to incorporate a cross-reference to the copending parent application, and it designates the present application as a divisional of that parent application.

The claims have been amended to cancel without prejudice or disclaimer method claims 1 through 7. Accordingly, apparatus claims 8 through 10 are presented for examination in the present application.

Early and favorable action on this application is respectfully requested.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Alfred J. Mangels', with a long horizontal flourish extending to the right.
